Mr. James Bierlair, Vice-President

Ms. Amy Everett, Member

Mr. Charles Delaney, Member

Mrs. Linda Grimm, City of Streetsboro, Member

Mr. Brock Kertoy, Member

Ms. Diana Clarke, Member

Dr. Philip Keyser, City of Aurora

Board of Health Duties:

As established by Ohio law, our eight- member
Board of Health functions as a policy, governance,
advisory, and regulatory board and provides
oversight of major financial and programmatic
decisions.

The Board of Health provides oversight for the
health of the public, the prevention or restriction of
disease, and the abatement of nuisances.

The Board of Health members are appointed by
elected officials who serve on the District Advisory
Council or by the city they represent.

The Board of Health meets on the 3rd
Tuesday of each month at the Portage
County Health District in the
Basement Conference Room.

*Portage County Combined General Health District (PCCGHD) provides comprehensive public health services throughout Portage County (*excluding Kent City).*

**PCCGHD does provide Private Water and Septic System Evaluations by contract in Kent City. PCCGHD also provides WIC Services, Cribs for Kids Program, Child Fatality Review, Children with Medical Handicaps Program and Project DAWN Program to Kent City.*

ADMINISTRATION & FINANCE

The Administration and Finance Divisions continuously strive to support and ensure the Health District is meeting the 10 Essential Services of Public Health. This is achieved through public health workforce planning, workforce development, financial and strategic planning.

The Portage County Health District, in partnership with the Akron-Canton Regional Foodbank, organizes monthly pop-up food pantries on the first Thursday of each month from 1:00 PM to 3:00 PM at the Portage County Health District, located at 999 East Main Street, Ravenna, Ohio.

We sincerely appreciate the efforts of our dedicated PCHD staff, the Akron-Canton Regional Foodbank team, and our incredible volunteers for their continued support in making these events successful.

Looking ahead, we are excited to announce plans to reintroduce the market-style pop-up pantry spring 2025—stay tuned for more details!

WOMEN, INFANTS, & CHILDREN (WIC)

The Women, Infants, & Children (WIC) program is an Ohio Department of Health grant funded program that provides nutrition education & supplemental food program for women, infants, and children. The program provides highly nutritious foods, breastfeeding support, nutrition education, and connects families with other area resources.

WIC serves income eligible pregnant, breastfeeding and postpartum women, infants, and children to age 5.

PCHD administers WIC services in Portage and Columbiana County.

BREASTFEEDING BENEFITS:

Breastfeeding Mothers

Reduces their risk for:

- Ovarian cancer
- Breast cancer
- Type 2 diabetes

Breastfed Infants

Have a reduced risk of:

- SIDS
- Lower respiratory infections
- Type 2 diabetes
- Asthma
- Obesity

Workforce & Environmental

- Infants have less illness so mothers miss less work
- Less trash & plastic waste compared to formula & bottle supplies

2,065

Breastfeeding
Education & Support

76.6%

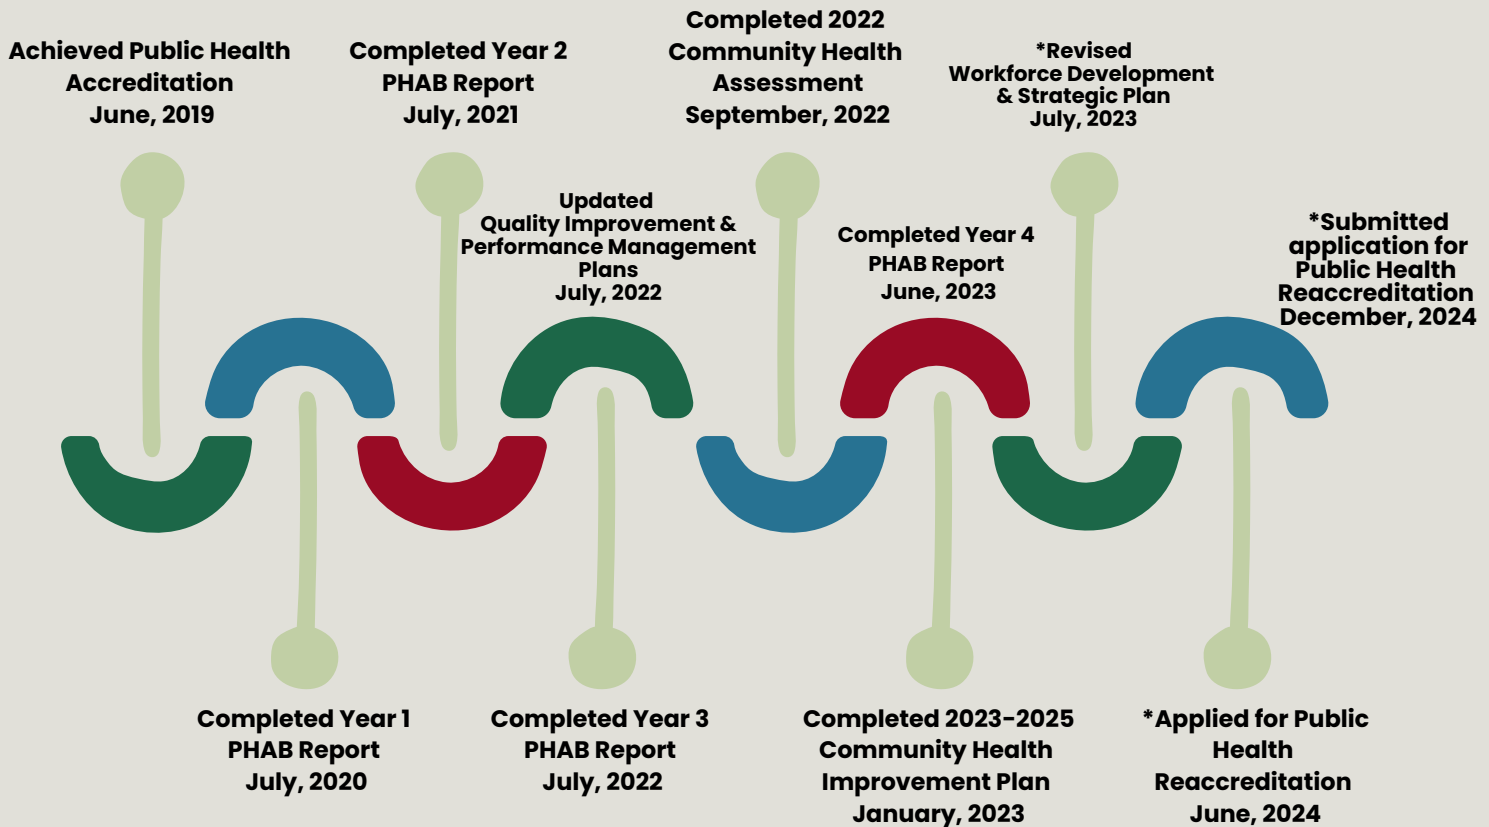

Breastfeeding
Initiation Rate

WIC supports all mothers and babies, regardless of their feeding decision. Staff are trained to promote and protect breastfeeding as the optimal feeding method for all infants. WIC staff provide the necessary resources and referrals to assist mother and baby in achieving their breastfeeding goals.

PUBLIC HEALTH ACCREDITATION

Public health accreditation measures a health district's performance against a set of nationally recognized, practice-focused and evidence-based standards. It focuses on the continual development, revision, and distribution of public health standards.

Accreditation Timeline:

COMMUNITY HEALTH IMPROVEMENT PLAN PRIORITIES

Chronic Disease

Family, Pregnancy, Infant, & Child Health

Mental Health, Substance Use, & Addiction

**Awarded National Accreditation
for Public Health Excellence!**
