Are you passionate about public health and making a difference in your community? The Portage County Combined General Health District has an immediate opening for the position of **WIC Supervisor**. If you are seeking a meaningful career with opportunities for leadership, professional growth, and community impact, we encourage you to apply.

The Portage County Health District's Mission is to **promote** public health, **prevent** disease, and **protect** the environment, utilizing leadership and partnership to empower individuals and communities to achieve optimal health.

### Portage County Combined General Health District benefits:

- Generous paid time off including vacation, personal leave, sick leave, compensatory time, and 15 paid holidays
- Longevity pay beginning after 6 months of employment and awarded annually thereafter
- Comprehensive benefits package including medical, dental, vision, and an Employee Assistance Program
- Life insurance and optional short term and long term disability coverage
- Participation in the Ohio Public Employees Retirement System (OPERS), with a 10% employee contribution and a 14% employer contribution
- Employee wellness programs to support overall health and well being
- Tuition reimbursement opportunities for continued professional development
- Clothing allowance and additional benefits

### Job Description:

#### Administration:

Serve as Nutrition Coordinator by developing local agency nutrition education and breastfeeding promotion plans; coordinating and directing nutrition services; overseeing food and formula prescriptions; collaborating with medical providers; providing nutrition in-service training; coordinating services with internal programs and community partners; supervising nutrition services staff including Certifying Health Professionals. Responsible for completion and submission of WIC grant applications.

#### Supervisory:

Coordinate all clinic operations including staff supervision, participant certification, food issuance, scheduling, nutrition and breastfeeding education, outreach, and administrative functions. Ensure compliance with all WIC policies, procedures, and regulatory requirements.

#### Clinic:

Assist staff with clinic operations as needed to ensure continuity of services for WIC participants.
