Portage County Health District in Partnership with NEOMED to Host Free Sports Physical and Work Permit Clinic

Ravenna, Ohio – The Portage County Combined General Health District (PCHD), in partnership with Northeast Ohio Medical University, will host a Sports Physical and Work Permit Clinic on Saturday, June 13, 2026, from 8:00 a.m. to 12:00 p.m. at the Portage County Combined General Health District located at 999 East Main Street, Ravenna, Ohio.

The clinic is designed to help students prepare for the upcoming school year, athletic season, and employment opportunities by providing free sports physicals and work permit physicals in a convenient community setting.

In addition to physicals, community partners will be on-site offering valuable health education, resources, and screenings to support student and family wellness. Dental exams will also be available through AxxessPointe Community Health Centers. Additional information regarding dental appointment scheduling will be released closer to the event date.

“This clinic was an important goal for our agency after recognizing the need for accessible and affordable student health services within our community,” said Health Commissioner, Rebecca Lehman. “Through collaboration with NEOMED and our community partners, we are able to provide families with convenient access to sports physicals, work permit physicals, vaccinations, dental exams and additional health resources all in one location.”

Lehman added, “This event helps remove barriers for families while ensuring students are healthy, prepared, and ready for the upcoming school year, sports season, and employment opportunities. Our goal is to continue building on this partnership and offer these clinics on a quarterly basis to better serve students and families throughout Portage County.”

Important Reminders:

- Students should come dressed for the exam. Tank tops or t-shirts, shorts, and easy-to-remove shoes are recommended.
- Students with serious pre-existing medical conditions should schedule a physical with their primary care physician.
- If you plan to receive vaccinations, please bring your medical insurance card.

To schedule an appointment, call 330-296-9919 ext. 135.
